来吧，甜蜜的死亡

I konw, I know I've let you down

I've been a fool to myself

I thought that I could live for no one else

But now through all the hurt and pain

It's time for me to respect

The ones you love mean more than anything

So with sadness in my heart

I feel the best thing I could do

Is end it all and leave forever

What's done is done it feels so bad

What once was happy now is sad

I'll never love again my world is ending

I wish that I could turn back time

Cause now the guilt is all mine

Can't live without the trust from those you love

I konw we can't forget the past

Because of that, it's kill in me inside

It all returns to nothing

It all comes

Tumbling down, Tumbling down, Tumbling down

It all returns to nothing

I just keep

Letting me down, Letting me down, Letting me down
In my heart of hearts
I know that I could never love again
I've lost everything
Everything
Everything that matters to me, matters in this world
